	Infratech CC	N\$ 54200.00

The user department noted that the lower-priced bidder (Wakaduku Investments CC) is considered non-responsive:

- a. Financial breakdown not including cost for the travel and accommodation whilst the company is operating from operating from Windhoek;
- b. The price submitted for the conducting of the room integrity test for ICT and Marine (Port Control Areas) is unreasonably low based on industry practice and prices.

It is recommended to award Infratech with the value of **NAD 54200.00** (VAT Exclusive), which is the lowest responsive bid.
